RANFURLY ATHLETIC SPORTS

STUDENTS GOING FASTER HIGHER AND STRONGER

‘It’s Not OK To Be Away’ and ‘It’s Great If You’re Not Late’
Remember that all students should be in full school uniform every day while at school. It is **not OK** to wear coloured windcheaters or jackets.

A fantastic morning of competition at the Athletics Sports today with everyone striving to earn points for their house and to achieve personal success. Congratulations to everyone involved. We will be anxiously waiting to see at the end of the day which House Team will win the prestigious Ranfurly Athletics Shield. Will it be Kulnine who won it last year or Yerre Yerre winners in 2014, or Cowra who last won in 2007 or Dairtnunk who won four years in a row from 2010-2013? Congratulations also to our age group champions who were the outstanding individual achievers throughout the morning. Thank you to Mr Cardew, staff, Merbein P-10 Students and parents who organised and assisted with events today. Well done everyone!

Next Tuesday and Wednesday our Choir & Dance Group will perform at The Beat. The Beat is a showcase of the wonderful talent of students in our State Government schools. The choir has been working hard with Ms Trudie Clarke and the dance group have put in a huge effort as a 5/6 FLIP Group under the guidance of Mrs Bradford to perfect their performance. We know they will enjoy the experience of performing in front of a large audience. We wish them well!

LOST PROPERTY
We have had many parents looking for lost items of (named) clothing in the past few weeks. Please check your children’s uniform to ensure they have the correct ones. Uniforms are quite expensive and families need to label clothing so it can be returned should it be passed to the office/lost property. There is also quite a lot of items in the new bright red lost property bin in the Grade 5/6 Hub.

FAMILY PORTRAIT FUNDRAISER
Friday 19 August from 3.00pm. For only $20 you will get a 10 x 13 inch family portrait and a keyring with other options to purchase more photos that will be taken on the day. Please call the office to make your booking.

PARENTS’ CLUB NEWS
The Parents’ Club will be holding their annual Father’s Day stall on THURSDAY 1ST SEPTEMBER 2016. Our stall enables the students for a small price $1.00 - $5.00 to purchase a gift for their dad and or grandfather for Father’s Day.

I need several volunteers throughout the day to help with running the stall. If you are able to help out on the day please contact the office with a time that you are available or phone/text Wendy Affleck on 0417827588.

Also, if anyone has any items that they would like to donate to the stall please drop them off at the front office. Thankyou!

CONFIDENCE in 6M

...being brave, taking risks, being confident in who you are!

You don't think about yourself and care about other people and do things to help people reach their goals and by doing that you become very confident (Hudson B)

I show confidence by speaking out when I think something is wrong (Ella W)

I have seen Sophie show confidence when she was explaining to the class about Cystic Fibrosis and when she stands up at assembly. (Lahni)

our students have been confident in many different ways!

I demonstrated confidence when I showed my 'horrible house' presentation to the class. (Max L)

I show confidence when I run assembly with the other 3 leaders and I speak confidently in front of all sizes of groups and I am very confident when I am talking about my writing infront of the class or in all sizes of groups (Sam D)

Confidence is putting yourself out there, being brave, taking risks and being confident in yourself. You can show confidence by speaking in front of people. (Kulyha-Lee)

Xavier shows confidence when he helps us with tech support in our classroom. (Seb D)
