DO YOU KNOW HOW TO BE SAFE?

Tonight our Grade 3/4 students help us learn about being safe. Everything from Being Safe in the Kitchen, to Bike Safety is being covered and even Safe Swimming. Students in the 3/4 classes have been researching safety in all parts of their lives and have become experts to share at tonight’s Safety Expo. Mrs Dalziel said, “It is a great chance for our families to come into the classroom to check out the learning and the activities our students have been doing”. Tonight’s Expo runs from 5:45 to 6:45pm .......... See you here!

‘It’s Not OK To Be Away’ and ‘It’s Great If You’re Not Late’
Ranfurly puts its best foot forward to showcase the wonderful programs and facilities available to our 2017 Preps. It’s that time of year to get organised for enrolment, our teachers and some students are heading off to the Little Day Out. This day helps families find out about activities and programs around Mildura for Pre-school children and to find out about school. Please encourage anyone with pre-schoolers to head down to the Indoor Cricket Centre to check it out!

Keeping Students Secure

When your child is at school it is our responsibility to keep them safe. This includes making sure our school is a place that is only for our children. This is the main reason we have built the back fence of the school. It is a little sad that people in our neighbourhood aren’t able to use the oval after hours but I think you all agree the safety of our students comes first. The rear gate opens at 7:30am every morning and closes at 3:30pm as this allows our students to get to school on time and then when our teachers finish yard duty the gate is locked.

Student Reports

Your child’s report will be coming home with them next week (before the holidays). Teachers have been putting these reports together for the past two weeks and they will include information about; what your child can do well, what your child needs to work on to improve, what the school will do to help them improve and what you can do at home also. Please remember that all students learn in different ways and at different times in their development. Their teacher works very hard to make sure they are Strong Smart and Deadly and please remember if you have any questions about the report make the time to come in and have a chat.

Dennis Mitchell
Principal

Mildura Eisteddfod

Choral Sections of Mildura Eisteddfod will be held on Monday 20th June 2016 at The St Joseph’s Stadium.

Please note: All Choir sections will be held at the St Joseph’s Stadium (near the Mercy Theatre) on the corner of Riverside Avenue and Eleventh Street.

10:00am The Big Sing. Followed by Primary School Prep to Grade 2 Choral Choir, Grade 3/4 Choral Choir and Grade 5/6 Choral Choir.

JUNIOR SCHOOL COUNCIL FUNDRAISER SUPERHEROES FOR SARG

On Thursday the 23rd of June, the JSC will be running a fundraiser for the Sunraysia Animal Rehousing Group. Superheroes for SARG is a chance for everyone to dress up as their favorite superhero and bring a gold coin to support a fantastic community group.

‘It’s Not OK To Be Away’ and ‘It’s Great If You’re Not Late’
SPORTS REPORT

Division Soccer

Yesterday the Open Boys Soccer team travelled to Aerodrome Ovals to play in the Division Soccer Championships. The round robin format pitted the best teams against each other from the Sunraysia area.

In our first game we took on Nichols Point Primary School. In what was a great display of soccer, each team came close to scoring but ultimately neither team could take the advantage. The game ended in a scoreless draw which seemed to be a fitting result as both team were evenly matched. Our second game was again a close encounter. After conceding a goal early, we were able to persevere and level proceedings just after half time with a great goal to Cody Mosello. The presence of regular coach Vas Tuifao seemed to lift the Ranfurly contingent.

Shortly after scoring the equaliser, it was Mosello again who found the net, finishing from inside the penalty after a searching run through the midfield. Ranfurly held on for the remainder of the game for a 2-1 victory.

Lastly, The Lake Primary School awaited. It was evident early on that they were going to be very worthy opposition. Although we put in strong effort, we were unable to put pressure on them when going forward. Conversely they made the most of their opportunities and ran out winners.

Well done to the squad for their work this term. They have certainly done themselves and our school proud in the way they have played and represented our school.

Toby Cardew

Cultural Excursion

Several Grades 1 and 2 classes have had the opportunity to be part of an informative and exciting excursion with Mr. Ben Parker this week. The children first travelled on the school bus to the Chaffey Gravesite at the Mildura Homestead. The group then meandered by the river where they stopped to wander along the river track and Mr Parker pointed out ‘scars’ on the River Gums where Aboriginal people had removed the bark to make tools or canoes. The children learnt about saltbush, how saplings were used to make tools and to identify ring trees that mark special areas. It was back on the bus to travel to Merbein to an Aboriginal Burial Site where the children noted the differences between the gravesites. Thanks to Mr Parker for his insightful expedition. The children had an amazing day!
**SCHOOL UPDATES**

**JUNE 2016**

| Tue–Fri 14–17 | Grade 5/6 Swimming |
| Mon 20       | Ranfurly Tour’ 9.30-10.30am 2017 Parents of Preps |

  Grade 5/6 Homework  
  It is an expectation that all students complete their literacy and numeracy homework and return it to their teacher by Friday. Thank you for supporting your children with their homework.  

---
Confidence means knowing that you will likely be successful. It means not being afraid to make mistakes or to try something new. It means looking and sounding confident.

We showed confidence when we had to step outside our comfort zone to present our 'Horrible Houses' Oral Presentation to the class.
