Tomorrow -FRIDAY 24 JUNE 9:00—11:00 am

Ranfurly Primary invites our parents and our community to attend tomorrow’s Ranfurly’s celebration for N.A.I.D.O.C. DAY

Aboriginal and Torres Strait Islander peoples’ unique and timeless connection to land is the special focus and theme of this year’s National NAIDOC Week celebrations.

The theme – We all Stand on Sacred Ground: Learn, Respect and Celebrate – highlights Aboriginal and Torres Strait Islander peoples’ strong spiritual and cultural connection to land and sea.

Fairy Tales Production!

Things are certainly starting to pick up for all of those involved in this years Production, as our Performance dates are quickly getting closer! The Main Cast have been toiling away during their lunch times, honing their acting skills. The Dance Groups have been hard at work after school perfecting their choreography. And now our Chorus members will begin to harmonize their singing talents as well!

And let’s not forget about our dedicated and hard working teachers and parent volunteers! Props are being gathered, sets are being hand-built and costumes are getting stitched together! We really are a dedicated and committed bunch here at Ranfurly!

A note will go home in the next couple of weeks regarding parent volunteers for the night of the Performance, so if you would like to help out we would love to have your assistance. It is also SUPER important that students are turning up to their After School Rehearsals on Thursdays. There have been a few students missing lately, so we need to get them back on track.

Keep an eye out for further information updates throughout the term, including Sunday Rehearsals and Ticket Sales.

Our Main Cast students have been out today having their photos taken in costume around our beautiful district, and I can’t wait to share the results with you! They all had an absolute blast! Thank you Louise Donges for making the shoot a success and a lot of fun!

Dear Parents / Guardians

On Thursday 13 August we will hold our annual Athletics Day. Students from Grades Prep to Six participate on this day. Due to the large number of students in the school the Athletics Sports are separated into a Senior and Junior rotation. In order to run a successful day we require assistance from parents and guardians with the supervision of the events and age groups.

We are well aware you want to watch your child throughout the day, so we will do our best to allocate jobs to ensure this happens. Putting your child’s name and room number on the return form will help us with this process.

Closer to the date we will give you more information about the organisation of the day. If you are able to assist please return the form to your child’s class teacher by THURSDAY 6 AUGUST.

Thank you, for your assistance
