Kids in the Kitchen @ Ranfurly!

This week in the Ranfurly Kitchen Mrs Lee has had the assistance from two Buddy Chefs. It’s great to be able to learn some cooking skills and then share it with our school, Mrs Lee said. Two students, Long Nguyen and Eveline Mbazumutima tried their skills on a recipe Long wanted to make (Vietnamese Chicken Salad). The concept is to have some of our students in Grade 5/6 prepare food that is then sold in our Canteen, Mrs Lee said. This week’s special was sold out so don’t forget to get you order in for next week. Lamb Burgers with beetroot Salsa in Turkish Bread .....Yum!

‘It’s Not OK To Be Away’ and ‘It’s Great If You’re Not Late’
Principal’s Thoughts
This week at school was amazing, we have had almost all our students come along and tell their families about their learning and the successes they have achieved this year. Student Led Conferences this week allowed our students to have a voice about their school and what they do in the classroom, telling parents all about it. I did go home last night after my own child’s conference thinking how lucky our children are to have such an amazing group of teachers who love and support them and work so hard to help them to be Strong and Smart. Thanks everyone for making our school great.

NAIDOC
Thank you to everyone for making our NAIDOC, sharing of culture so successful last Friday. A wonderful day of activities for our community was held with lots of parent helpers and special guests here on site. I particularly loved the dancing moves of a Giant Nuri (Emu) that we all saw at assembly. Terrific effort Mr McLeod. Our day wouldn't have happened without the hard work of Mrs Bell, supported beautifully by Mrs Parker and our volunteers in the classrooms. Thank you very much.

Come and Try Morning for New Preps
Please make sure to remind everyone about Prep enrolment for 2017 as our classrooms are filling up fast. Tomorrow we have the beginning of our come and try program which is a way to get everyone that is coming to Ranfurly next year along for a fun learning activity and school tour. See you all here.

It’s Great if ya not late!
Being at school on time is just as important as being here. Sometimes it’s tricky with all the very busy houses that we live in to get ourselves going on these cold mornings but I have noticed a larger than normal number of students being late for school. In fact, last Monday I counted 50 bags in the foyer of the gym from students who were not here by the bell time. So, this week at assembly I asked our students to do two things............. ‘Hustle and Hassle’. Hustle in the morning to get ready on time to help mum and dad out to start the day and.............. Hassle their parents to get out the door to get them to school. Please make sure I see your children’s smiley faces everyday so we can continue to make them “Strong and Smart”

Melbourne and Canberra
Good luck to all our students who are away on camp next week. Camps are wonderful times for our children to have fun with their friends, relax, get to know their friends in a different way and experience life in places very different to their own town. Have a great time everyone and travel safe please.

LOST ITEMS OF CLOTHING

We have had many parents looking for lost items of (named) clothing in the past few weeks. Please check your children’s jumpers and jackets to ensure they have the correct ones. Uniforms are quite expensive and families need to label clothing so it can be returned should it be passed to the office/lost property.

Dear Parents / Guardians

On Thursday 11 August we will hold our annual Athletics Day. Students from Grades Prep to Six participate on this day. Due to the large number of students in the school the Athletics Sports are separated into a Senior and Junior rotation. In order to run a successful day we require assistance from parents and guardians with the supervision of the events and age groups.

We are well aware you want to watch your child throughout the day, so we will do our best to allocate jobs to ensure this happens. Putting your child’s name and room number on the return form will help us with this process.

Closer to the date we will give you more information about the organisation of the day. If you are able to assist please return the form to your child’s class teacher by **FRIDAY 29 JULY**.

Thank you for your assistance
