Good Night, Sleep Tight, Come and Read a Book Tonight

Reading is the gateway to learning and having children read every day is important! Tonight, Ranfurly students in Grade 1 and 2 invite their families to ‘Read a Book Tonight’. “It’s a great way to have our families in to see what the students can do” said Mrs Gill (Grade 1/2 teacher), our children spend lots of time questioning, wondering and reading to find out things here at school and their skills will be on show tonight. The event is from 5:45pm to 7:00pm tonight. See you at school!

**Principal’s Thoughts**

The cold weather is here and a little bit of rain too! Thankfully our students have been able to get out and about and enjoy their playtime without too many interruptions. Well done to everyone for getting into the Uniform Shop to make sure your child is warm and still in uniform.

I am currently working through options with School Council and our student Leadership Team to get samples together to provide greater options for our students in the Winter. This will not be available until next year but please keep an eye out for some information as we would like to hear your opinion too.

**Cold mornings**

Now that the mornings are so cold can we all please remember that our Breakfast Club / Before School access is open in the Walton Wing from 7:30am and that any students on site prior to 8am are required to attend this area. There is breakfast available or some fun activities for our students if need be. This is a free morning program supported by the school, Food Bank SA /Vic and Healthy Mildura. Our school building does not open until 8:30am so please make sure you are warm and safe.

**Interschool Sport**

Tomorrow is the last of our interschool sport challenges and this week we play my old school Mildura Primary. Interschool challenges are a terrific way to expose our students to competitive sports and all of our children embrace having a go and trying their very best. Well done to all involved with a special mention to Mr Cardew for co-ordinating. Let’s hope we can come away with some great results and play our games with good sportsmanship.

**Buddy Bench Update**

As you know, last Thursday was the casual dress day to raise money to purchase our Buddy Benches. We want to congratulate and say thank you to all of those parents and students who donated towards our project. Together we raised $400. With this money we hope to purchase three benches. These benches will be painted and placed in areas that the students can access easily.

At the moment we are waiting on Bunnings to advise us on the arrival of these benches. We hope to have these benches installed by the end of term, ready for Term 3.

**Library News:**

**Book Fair:**

A huge thankyou to everyone who supported our “Monster” Scholastic Book Fair last week. It was fantastic to see the students enjoying reading, browsing and sharing the books, and it was great to see so many family members come in too! We sold just under $3,000 worth of books, so that means our Library will now receive a very generous $870 worth of books at no cost from Scholastic. The students can’t wait for the new books to be processed – I already have some of them reserved! It is wonderful to see their excitement 😊

**COMPETITION WINNERS:**

The following students were our happy winners of the Book Fair competition (guess how many monster eyes in the jar):

- Prep – Starsha Hibberd
- Grade 1 – Elias Dinhoff
- Grade 2 – Zahra Hussaini
- Grade 3 – Angus Jarrett
- Grade 4 – Kayden Dwyse
- Grade 5 – Montana McCallum
- Grade 6 – Shakala Kirby

Congratulations to our winners – they each received a great book!
Ranfurly Master Chef
Our cooking skills have ranged from simple French toast, spaghetti bolognaise to this weeks flavour sensation a delicious walnut and meringue Moroccan dessert. We were extremely lucky to have the help of Tatum Hynch who was able to share her knowledge and skills of Moroccan cooking with the class. The kids were full of excitement. They loved being curious learners and most of all the experience of hands on cooking. We look forward to sharing our cooking knowledge with parents in the coming weeks.

Interschool Sport – Week 3
Our last round of Winter Interschool Sport concludes tomorrow against Mildura Primary School. Of particular interest will be whether the open soccer team can make it 3 wins from 3 games. If they win they will qualify for the Division Soccer Finals later this term. Good luck! Our girls soccer team played an outstanding game last week going down by the narrowest of margins. Building under coach Harris, we wish them all the best in going one better tomorrow. Our netballers and also our hockey teams have shown improvement since the start of playing matches. It would be great to see these teams get some reward for their effort.

Please note that all games are scheduled to begin at 1.30pm and will conclude at approximately 2.30pm.

The following is a list of sports and venues for tomorrow’s games;

Regional Cross Country
On Tuesday, Xavier Hines and Ieesha Williams competed in the Schools Sports Victoria Regional Cross Country. Held in St Arnaud, Xavier and Ieesha spent the morning travelling before running their 3 km event in the afternoon. Competing against the best 11 year old runners from the region, Xavier ran in first half of the field. Ieesha also achieved a fantastic result running in the top 40.

Hines said that the course was certainly different to what he experienced previously “The course was very hilly and I couldn’t believe how many large rocks we had to negotiate”. Ieesha said that she was grateful for the opportunity to run in St Arnaud “I had a bit of a cold which isn’t great when your running long distances, but despite this I’m happy with my performance”.
